

**SHIZENRYU EASTER SCHOOL 2010
 MONDAY 11TH – FRIDAY 15th OF APRIL
 14.30 PM – 4PM**

Venue: Ballard School, Studio 2, New Milton, Hampshire, BH25 5SU
Teacher: Sensei Daniel Monaghan danmonaghan@rocketmail.com 07914 501779

Dear Parents,

This fantastic course offers students to go up a grade in just one weeks intensive training. The children will learn many aspects through the weeks training as well as discussion on certain topics e.g. confidence and skilful action. At the end of the week, the children will be awarded their next grade if they have completed the week successfully. This will be done through a formal grading. We understand that some absences may occur, despite those absences students will have the chance to grade on the Friday. However, there is no guarantee that a student will pass their exam if there are too many missed sessions.

Children are required to bring their own snack and drink, as there will be a short break during the classes. If your child is on any specific medication, and it is needed during the course of the week, please ensure that they bring it with them and that they give it to the instructor.

The fee for the weeks course is £50.00. The fees must be received by the instructor before the 21th of March to insure your child/rens place. If there are two or more children attending there will be a 20% discount on the original fee. The grading will be conducted by the head instructor and is not inclusive in the course fee.

We do urge you to book your place as soon as possible as there are limited places available. To book your child/rens place send an email to Daniel Monaghan (see above) once the fee has been sent to: **Flat 3, 21 Richmond Park Avenue, Charminster, Bournemouth, Dorset BH8 9DL. Please make cheques payable to Mr Daniel Monaghan.**
