SCHOOL TERM FORM

Dear Parent/s

Please take the time to read the following:

Fees for this term are: £54.00.

1. Term fees can be paid by cash or a cheque made payable to **Ruggero Calo to address at top of form.**
2. At the very least they should be handed into the instructor in a sealed envelope marked with the child's name.
3. Fees are payable by the second week of term. Due to the enormous amount of time spent chasing up fees in the past we now operate a no fee no lessons policy. An up to date licence/insurance is also needed. Please don't put us in the awkward position of sitting your child out due to unpaid fees or licences.
4. We are sometimes asked if a child can just try a couple of lessons. As very experienced teachers we know that your child's hardest challenge will be in adjusting to a strange class where at first everyone seems to know more than they do. It takes a little time for a less confident child to settle and feel comfortable. As they start to understand the system they begin to enjoy the challenge. All our young Black Belts write about how nervous they felt when they first started and how they began to enjoy Karate more and more after their first grading. It is for this reason that we don't operate try it lessons. We find that a term is a fair trial and gives us a chance to get them working in a positive way.
5. If a child wishes to discontinue classes a half terms notice or a half terms fees are payable.
6. Please fill out the email section as this is the quickest and most efficient way that we can get useful information out to parents and students. We do not use your email address for any other reason.

Tear off and return to the address above together with the correct fee.
